

Remarks

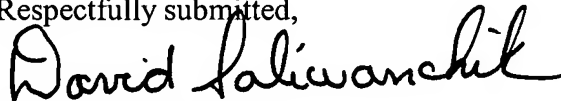

A Notice of Allowance dated December 29, 2006 has been received in the subject application. Applicants subsequently received a Notice to File Corrected Application Papers dated February 23, 2007. The Notice to File Corrected Application Papers indicated that Figure 6 contained fax/copier marks. In order to clarify the issues with Figure 6, applicants' representative contacted Mr. L. Fletcher in the Office of Patent Publications. During the discussion, Mr. Fletcher determined that several other figures in the application were also unacceptable for publication in the patent.

Therefore, applicants enclose herewith new Figures 1-9B for the subject application. Applicants have renumbered certain figures to comply with Patent Office rules. Specifically, Figures 2, 3, 6, 8 and 9, have been renumbered as Figures 2A, 2B, 3A, 3B, 6A, 6B, 6C, 6D, 8A, 8B, 9A and 9B.

The above amendments are being made merely to ensure that the specification corresponds to the renumbering of the Figures. Applicants are also correcting a typographical error in the title of the application. Applicants respectfully submit that these amendments will require no further search or examination on the part of the Examiner and do not constitute new matter. Applicants respectfully request that the Examiner enter and make of record in the subject application the amendments presented herein.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

David R. Saliwanchik
